Touching on themes of love, responsibility, persistence and being true to oneself, this story will delight theatregoers of all ages. **Originally commissioned and produced by Toronto's Young People's Theatre. Nominated for a Dora Mavor Moore Award for Outstanding New Play or Musical.** 🍁

The Gravitational Pull of Bernice Trimble

By Beth Graham

February 20–March 8, 2026 • Tickets: \$26*

A Post-Show Talk-Back will be held after the Sunday, February 22 show.

Iris Trimble is struggling to cope with the recent news that her mother, Bernice, a lively 55-year-old, has been diagnosed with early onset Alzheimer's. To compound the shock of the news, her siblings are on opposite sides of the fence – Sara demands a second opinion and Peter seems completely unfazed. In the face of these tricky family dynamics, Bernice approaches it with a smile and a laugh, and most importantly, is ready to put herself first. Told with a good dose of humour while carefully addressing a sensitive topic, the story illuminates the challenges families experience when faced with this all too prevalent health issue. **Nominated for the 2015 Governor General's Award.** 🍁

Recommended for ages 14 and up.

**Includes \$1.75 per ticket fee.*

Colours in the Storm: The Tom Thomson Musical

By Jim Betts

April 24–May 10, 2026 • Tickets: \$30*

A Post-Show Talk-Back will be held after the Sunday, April 26 show.

Colours in the Storm is about the life – and mysterious death – of one of Canada's best loved painters, Tom Thomson, whose landscapes of Algonquin Park are among the most famous paintings ever done in Canada. A beautifully written work with memorable music, it is more a gallery of scenes and songs than a traditional musical. The story follows Thomson's life and growth as a painter, from his arrival in Algonquin Park in 1912, to his tragic death in Canoe Lake in 1917. Often haunted by his artistic vision, Thomson struggles to realize his potential and to come to terms with the passions in his life, while under the spell of his magnificent surroundings. **First produced in 1990 by**

The Muskoka Festival, Ontario. 🍁

Recommended for ages 14 and up.
